

WATERLOO CANAL DAY

Lots of Things to Do

Waterloo Village is big place with things to do every where you go. Stop at the front entrance for information and directions, then get something to eat at the Waterloo Methodist Church. Near Smith's Store there will be Live Music and Canal Boat Rides. Throughout the village historic buildings will be open with tours and displays. Step back in time, over 500 years ago and visit Winakung (place of sassafras) - a native Lenape woodland forest.

On your way back to the center of the Village be sure to stop at the Canal Boat Exhibit. Visit the craft area and displays at the Blue Barn. If the walk made you hungry you can stop at the Methodist Church Parish House for food and entertainment.
